### The Premises:

Her establishment is on a nice area and I felt safe, the apartment himself was clean and I was offered a drink on arrival.

### The Lady:

Really good looking English girl. A body to die for.

### The Story:

At the beginning, she worked on my cock for awhile, nice technique, good work of mouth and tongue, not a lot of hands but very nice indeed. She worked on my cock so well that I was about to cum, was time for sex. Chloe opened her legs wide and asked me to fuck her. Before to do that I wanted to try with her pussy, she was quite happy about it. Now was definitely time for sex, she slipped a condom and I fucked her harder and harder and finally I shot. Because we had some spare of time, she gave me another blow and this time she just drained me off. All in all, a highly recommended girl.
