The Story:

When I phoned I was told there were two ladies Jeniffer and Shelley. I didn't book any one on phone but when I went, there was only Shelley available. I was bit skeptical as Jeniffer did look gorgeous on the website and did have a review on her name(a positive of course). I was told she would be available in 15 mins or so, but then I decided to go with Shelley. I wouldn't go in details but she is through professional. Moreover she really does love her job. I was a bit surprised she hasn't got any review on her name, so here you go. I would definitely recommend her and would love to see her again. In the end it was surely a good choice to make.
