### The Premises:

Usual premises (small house on a main road) - not very discreet but there is an option to go out by the back door. Maid always very friendly and welcoming.

### The Lady:

Attractive brunette in her 40s, about 5ft.6, with lovely big natural tits and a hairy pussy. Not slim, but definitely not BBW.

### The Story:

I saw Grace here about 3 years ago, which she remembered, probably because we have a mutual interest. She seemed a bit off-hand to begin with, reminding me that oral is covered at this price (which hasn't always been the case here) and producing a large clock to keep an eye on the time. However, she warmed up very quickly - she kisses beautifully, has very sensitive nipples, and seemed to enjoy RO and being fucked in mish - we changed to doggy for the grand finale, which only lasted a couple of strokes! Her age and natural looks mean she won't be to everyone's taste, but she ticks most of my boxes and I'm delighted to have re-discovered her. I'm sure I'll be back.
