### The Premises:

Easy to find in Baker Street area. Clean comfortable and good shower

### The Lady:

Sadly not as shown - several pounds heavier and much smaller breasts

### The Story:

Oh dear, not a good experience. Started well with her making sure the shower was hot, but went quickly downhill. No kissing at all, no OWO, wanted me to hurry up when fucking, didn't want much attention to her breasts (said to be 34d more like 34 b) and to cap it all, took a phone call just after we'd finished. She was clearly bored, homesick (Spain) and not willing to put in the work. I have said before that attitude counts - hers was rubbish. I texted the agency afterwards but got no response. Avoid like the plague just to show them there's a recession on and better service elsewhere.
