### The Premises:

House in forest gate. Fairly discreet at night though there were people parked outside who knew exactly what the place was used for. One thing I appreciated was the fact that they leave the outside door unlocked so you can get inside the porch quickly and discretely. Average condition inside.

### The Lady:

was let in by a polite maid and told it was closing soon so had to be quick. Opted for the ??30 standard oral and then sex.

Firstly guys, let me make this clear, she is Not indian or south asian, that is a fact. All this 'anglo-asian' stuff is nonsense.

It appears that a indian girl with the same name may of worked around east lon years earlier but this girl looked turkish to me.

Anyway, lovely body, big breasts and a curvy backside without being fat, just how I like it.

### The Story:

considering they were about to close, she gave an excellent performance. wasn't rushed or anything and a great attitude too. Lovely covered oral followed by her on top with those big breasts bouncing up and down. If they weren't closing I would of paid for an hour to be honest. She maybe not be indian but she has the body and the attitude that would make me return. Not sure what other services she offers but will ask if I go again
