Basement Apartment. Quite cold and empty, as if no one lived there.

The Lady:

Maybe late thirties, early forties. Large and heavy. Quite unattractive.

The Story:

All I want to do here is leave a warning to all. The woman depicted on the website is most definitely not the woman you will meet. Not only is she not the woman in the photographs, but she is old, frumpy and unattractive. The photographs are probably of some model, and are likely to have been lifted from a glamour magazine. The real woman looks a frumpy housewife, complete with granny-knickers and a caesarean scar.
