The Premises:

Basement flat modest but well kept. More girls living/working there and no much privacy. It looked like there were clients and the the girls were trying to divert people in various rooms.

The Lady:

average looking face, tall and with nice natural breast and nice legs.

The Story:

The agency set up the meeting and it was my understanding that OWO CIM were on offer. The girl did not offer OWO/CIM only covered oral. The attitude was poor, and it looked like she wanted to waste time by going away and making phone calls.
