### The Premises:

Between houses in a residential street so rather open. I suspect that the neighbours know what goes on, as saw one of the neighbours looking at me as I walked out of my car and to the house.

### The Lady:

English brunette in her mid 20?s. Hair was tied in pigtails. Size 12 to 14 figure with 36e boobs. Attractive girl. Womanly curvaceous figure.

### The Story:

Having settled the finances I sat on the bed and waited for a few minutes for Charlie to join me. A back massage was given to start with and then I helped Charlie out of her basque and fondled her boobs.

She wiped my dick with a wetwipe and proceeded onto owo which was done quite nicely.

Deepthroated me a couple of times on request and paid attention to my balls too. A fantastic session of titf\*\*ng followed and I eventually shot all over her boobs.

Cleaned up, and had a chat before giving her a massage. She got me ready for more action.

Charlie had a very nice approach to her work and put a lot of effort into ensuring I have a good time.

She gave good owo and took a good pounding. Tried out various positions and found her to be quite up for it.

Would definitely recommend and would see her again.
