The Premises:

Nice flat in the middle of the town, parking nearby at 70 pence for two hours, safe enough area.

The Lady:

Scarlett is in her early twenties, 5ft 3ins tall, very slim and extremely attractive, blonde hair.

The Story:

Scarlett is well outside of my area but as she had a special offer of ?100 an hour I decided to travel the 40 miles to see her and I was very pleased I did.

She is very polite on the phone and even more friendly in the flesh, she says she likes the work and I do actually believe her and the bonus is that she does not mind older guys.

This was an excellent GFE and a great start to 2009, she does not have a web site yet but advertises on a well known Adult site under the name of Seductive Scarlett where you can see a few photos free of charge. I advise you guys to pay this English rose a visit, you will not regret it I promise you.

Proof once again that you do not have to pay stupid prices to get a five star service.
