### The Premises:

Debbies has, of course, been well-described many times before...

### The Lady:

Jenny was described on the phone while I was waiting as "mature". Fair description but she has a great body - it was a huge turn-on when she walked in in her underwear.

### The Story:

I'd been trying to see Jenny for months, as I worked through the rota at Debbies, but she is so popular, I had to wait a long time for the right moment. I thought New Year's Eve morning might be quiet but not a bit of it. I was told to arrive at 11.15, and when her first client left, she asked me very nicely if I'd mind waiting 20 minutes while she saw to another guy who was waiting in the kitchen. She said it would be worth my while - and, bloody hell, she was right.

I skipped my normal shower as she was so busy, but Jenny was extremely welcoming - in every way. She told me she loved her job, and she made that pretty obvious. Jenny insisted that she enjoyed what I did with her - and who am I to argue? It's amazing what you can do in half an hour, and we even fitted in a chat at the end. What a very sexy lady. Definitely worth the wait, and I'm not just talking about the 20 minutes (which, inevitably, had turned into more than half an hour - it seems nobody gets rushed at Debbies). Even if it takes a few months again, I'll be back....
