### The Premises:

Nice Mews apartment clean and tidy

### The Lady:

Nice petite oriental lady with a natural figure a bit of a tummy but just a bit

### The Story:

Well greeted at the door and taken in. I had the usual assisted bath. I must admit she excels at this part of service rubbing all the way up and down.

Into the bedroom and all services provided, a bit of tight squeeze at the a-levels but managed with her on top

Very good punt we enjoy seeing her again
