The Story:

Melissa had been a regular in the pnet chat room and we had discussed meeting and finally met after a spontaneous decision by Mel to travel to Norwich.

Mel is an intelligent and sophisticated lady who happens to thoroughly enjoy sex. She escorts part time and I do believe does the job for the enjoyment as much as the income. There was no clockwatching on mels part and I was quite concious myself as we overran the hour by about 20 minutes but Mel was quite realxed about this

The meeting involved plenty of kissing before some good OWO followed by sex, Mel tried to coax me to the office desk but I ran out of time in round one. More oral followed and a very quick recovery time (faster then normal) led to more sex although still didn't get to the desk, before finishing off with OWO to completion.

Mel is different to the girls I typically see, the opportunity to chat added an appeal and her enthusiasm during our meeting means I would see her again, so thanks Mel.
