Beautiful short Thai lady with a perfect set of tits and nice backside. One tattoo on her back. Very pretty she was an instant turn on.

The Story:

The previous reviews were right on. She speaks good enough english. She has a very friendly personality and giggles quite a bit. She is eager to please and wants you to walk away happy.

I opted for a little longer time based on the past reviews and was not disappointed. She offered a companion bath. Gents if you are not in a huge hurry this is not to be missed. She took her time and really took care to make sure everything was cleaned. So between he hands and her body all over it was almost unbearable. We ended with OWO and CIM. She washed me up again and on to the bedroom.

Without going into details she was simply marvelous. She took care of me several times over the course of the rest of my visit and managed to get a full body massage incorporated into out time together. If you want to walk out refreshed and completely de-stressed this is the girl you have been looking for. She seems willing to do anything to please.

Don't look for a lot of conversation here, just lots of hands on attention.
