The Story:

I had seen Hannah before Xmas and was determined to go back and enjoy her company even more. I had the VIP, so started with light massage, rolled over and had some DFK, which was exquisite. Then she moved down my body and warpped her lips around my cock. Her O is sublime and she almost had me coming early doors, so I reversed positions and, with her legs way in the air, I licked her wet pussy. This she enjoyed, particularly when I gently inserted my finger into her bum, while still tonging her. Suffice to say, she gushed!

Then for some more DFK, O with me kneeling beside her head, while I fingered her again. Then on with the condom and took her from behind, with my finger up her bum. She came again and then I did.

She's new to the game so treat her gently.
