Very safe, quiet area. Good parking.

### The Lady:

The website pictures are very accurate, though you must see Charlotte in real life, she is fabulous. Maybe not one for the stick insect fanciers, but that's their loss.

### The Story:

She put me at ease very quickly, was able to take the initiative when needed, and simply gave me a wonderful time.

If you want to meet someone who is superb at their work, and who really enjoys what they do, you owe it to yourself to visit Charlotte. What a superb experience!
