The Story:

after sorting the money she re-appeared in the room and she sat over me with me lying on my back, she kissed my neck, ears and moved down my body, then took a condom and put it on using her mouth. very nice oral followed by sex in several positions as directed by me , she was very willing and happy to do everything within reason.

Had a really nice time with a very friendly and gorgeous young lady. will definitely be back. Left feeling great about everything !.
