The Story:

Thought I'd get the New Year off to abang with a new girl. Imagine then my surprise when I recognised the former Nina from Salon 24 in Manchester. But hse looked much hotter, with long raven black hair and a sexy fringe over a beautifully sexy face (her mouth is super sexy). She is rather small but wears wonderful fuck-me shoes which enhance her fine legs and arse. Her boobs had been enhanced since the last time I saw her - no complaints there either.

Following Kristiana upstairs I thought I was in a scene from a very sexy porn film - she oozes sexiness. However, she is not as whorish as she looks - no offers of oral without and kissing is limited. But what a fine piece of booty she is. I was rock hard from the start and had to hold on to get my moneys worth. After a variety of positions I came doing her doggy while looking at this fabulous creature in the mirror. She has a tight and sensuous pussy and looks amazing - really to my tastes. I'll be back.
