### The Story:

Celeste is a real star, really knows what you need and how to please. To start, massage with some all over body kissing then onto some rimming (believe me she knows how to use that tongue) Then the good stuff, onto some OWO so I returned the favor 69 style she has a lovely shaved pussy that tastes great. Then onto some french kissing, on with the hat then took her bent over with us both stood up, slowly at first as she pushes back, grinding onto my cock, after a few minutes can't hold on any longer so pulled out and finished in her mouth and on her lovely tits, she then took me back in her mouth for some more OWO then onto round 2!!

Great girl loves her job clearly, fantastic time
