The Story:

This was a first time experience for me,
Met by Julie at the door in a long black dress, looked great.
Very friendly tried to make me feel at ease which was not easy as very nervous.
Slipped out of dress,wearing black underwear and stockings.On to kissing and sucking of her nice natural boobs.Gave great owo on the bed to completion,paid more attention to Julies boobs and shaven pussy.
Unable to perform a second time but hopefully be more relaxed next time!!!
Clearly loves what she does and is very good at it.
