The Story:

this is the second time iv visited monica in 2 weeks,i am hoping to visit her again soon,i was welcomed by her shear beauty,looking as stunning as ever ,she gave me a kiss then led me upstairs to the bedroom ,straight away she started to stroke and caress me,no time wasted with massage or idle chitchat,within seconds we were naked on the bed, every which way that goes,sugest it and she obliges,this lady is out of this world and should be treated like a lady,she does her best to satisfy and satisfy she does,i dont think i need to look any further with this escort,she has everything i need,very intelligent too, give her a call i promise you wont be disappointed
