### The Premises:

Place is great to visit, and every girl there is calming and considerate. Honestly ive never felt so warm in a place.

### The Lady:

Nice build, nice legs and awesome hands. I've met majority of them there, because they all dont waste your time. I think they're trained before they go in.

### The Story:

Put it this way she went down to the backend of her throat with my thing. I cant say anymore then that. I felt like i was hurting her, but she wanted it down there. Girls there like that sort of thing and that's why i cant stop. Not only that, once you start going it gets better.
