### The Premises:

This is a splendid location in the City with a very discreet location.

### The Lady:

Katrina is a tall, leggy Anglo Indian girl with long hair. She is friendly, intelligent and provides an excellent service.

### The Story:

The session started with a relaxing massage, followed by protected oral, sex in two positions (missionary & doggy) and a slow hand relief finish. I love Indian girls breasts with the trademark, large aureola. It was a very relaxing and enjoyable visit and I left with a warm glow.
