The Premises:

Well reported on before, comfortable and clean apartment 5 minutes from Lancaster Gate Tube. Safe area and I guess at weekends easy parking.

The Lady:

7 girls partying, or that may have been 6 on this day.

The Story:

I have wanted to attend a party for some time, and after careful research on PN I finally took the plunge at Lady M.s. And I have to say it was well worth the experience. I was concerned about the numbers and being able to spend time with the girls, but I need not have worried, the ratio was quite low, I think there may have only been 10 or 11 guys there in all, and I think 6 girls, well at least I played with 6. Everything is very safe and relaxed and to my amazement I managed to come 4 times, and was coaxed in to a hard on twice more but I was drained by then.

I guess initially I was like a kid in a sweet shop at the start and managed to come twice in the first 40 minutes. I think that trying to pace yourself is the watchword.

All in all a great experience and it scratched the party itch finally. Having broken the ice I will definitely be back, and the Saturday parties seem ideal for me.
