### The Story:

Decided to go based on previous reports about Lucy. Greeted at the door and shown up. Went for ?60 plus ?20 for anal. Started off with a massage followed by Lucy sitting on my face. Sucked that clit for all it was worth while squeezing those nipples hard. She then proceeded to lick my balls loved it made the old man stand to attention. Throughout the session always attentive asking me if there was anything more she could do! Intelligent girl who can hold a conversation, also part of the appeal for me. Finally finished with anal, nice and tight! Boys she's worth a visit also does the occasional outcall in the evening. Will I be back? You bet maybe a two some with Carly
