Hotel visit - not applicable

The Lady:

Tricia had been used by me before - good body/figure - well proportioned - very warm and friendly. Medium height - blond - very attractive. She brought Alex along for a threesome - she was dark - thin - lovely pale skin - slimmish - lovely long legs - blue eyes.

The Story:

I enjoyed the company of both - and their pampering. The best ever mouth job on me - a great girl/girl show - much mutual touching - great exchanges of sexual experiences/erotic stories - I was so turned on and excited. Both girls seemed to be enjoying everything - such a bonus - definitely no faking. And fun and relaxing too. This was a hotel visit and I slept like a baby afterwards. Am planning a repeat next week.
