The Lady:

Chinese lady in 20s with curvy size 10 figure (or less), enhanced breasts, very attractive and friendly too.

The Story:

Decided to visit this lady after seeing her ad on adultfriendfinder ? where she advertises as Hot Marta. Normally I stick to girls recommended on PN but it's been slow this year, come on guys, where's the reports?

Spoke to the lady on the phone and arranged to meet. English OK but not good. After exchanging several texts got through the security gate and then door. The photos on AFF are realistic but I don't think she is half English, full Chinese is my guess. She is still very very attractive!

Having reached the bed, started with an OK massage and then on to OWO. I should say the whole time she was rubbing herself up against my leg and looking at herself in a strategically placed mirror. (I'm not going to kid myself she was looking at ME!) This is a seriously sexy lady and if I wasn't recovering from a cold I would have been up there for some reverse O without a doubt!

Then on to an energetic cowgirl, followed by doggie to finish in a satisfying climax, all with strong (but not over dramatic) sounds of encouragement.

Afterwards we had a little chat but her English isn't really good enough for that ? yet.

A quick kiss and thank you at the door and off we go ? didn't feel hurried but out in twenty minutes flat (regular readers will know I don't count this as that important but it's worth mentioning as part of the service).

So ? the verdict. I like oriental ladies and Marta is absolutely top class attractive, but I would prefer a GFE (as given by the many House of Divine all stars in MK ? Carla, Petra, Sally and Felicity to name but four) to a solid professional punt like this one. It's also difficult to strike up a conversation

with someone whose English is nearly as bad as my Jockanese. Anyway, I?m not that good with strangers myself, so we may get on better on subsequent visits ? and she?s certainly attractive enough for that! Hopefully I'll be up for a more active role then too. See you soon Marta!
