The Premises:

Flat just off the main drag in MK. Free parking quite close, even during the day. Flat is a part of a 1960's development in a style not popular nowadays. Rung the bell to get access into the communal hallway, and the door opened by the maid. One inside all was clean and tidy. Felt safe as houses outside, but it was daylight!

Room I saw Carla in had a bed and a 2 seater sofa.

The Lady:

her pix on the HOD site are reasonable, but the real thing always is better to me. Curly, with long dark hair. nice peachy bum. She was wearing stockings, red g string and bra. Bit of a 'girl next door' look if you know what I mean. Could not place her accent - I think she has moved around a bit picking up bits from everywhere. No trace of her Scottish birth!

The Story:

I knew I was being 'fitted in' between other appointments from what I was told when booking on the phone. Thanks HOD for being so helpful. Carla came in - wow - and sat on my knee(I was sat on the sofa) and we had a bit of a cuddle. We did the paperwork, then Carla left for a minute, then came back and sat on my knee again Various bits of clothing came off, then we moved to the bed for more cuddling, then general heavy petting. Various bits of oral sex (Covered), including 69, which I like. then cowgirl, then missionary.

the odd minutes at the end carla massaged my back for me.

Nice time with a lovely lady. thanks Carla
