### The Lady:

Very curvaceous bubbly smiley blonde in her mid-20s

### The Story:

Trying to look nonchalant with a phone clamped to my ear, I strolled anonymously past reception at this large hotel and reached the lift with my breath held.

When Sophie opened the door of her room I walked in to be met by a big friendly smile on a gorgeous face with bright mischievous eyes, standing on top of unbelievable assets barely contained in a red basque. Chatter and laughter quickly followed. After I got my breath back we lost out clothes and then got rude and randy, in between more bouts of laughter. Sex shouldn't be serious and, with Sophie, it isn't; it's lots of fun and bubbly laughter. If you like to wallow in wonderful feminine curves, and plenty of them, then this sexy lady is the woman to do it with. Sophie could chat for Essex, maybe even for England, but a quick snog stopped the chatter if not the laughter. Time spent with Sophie is great randy fun, and an hour wasn't really enough. I'll have to rectify that in the near future.

Curves! Curves! Glorious curves!

Nothing quite like them for warming the blood.

So, follow me, follow, down to the hollow,

And there let me wallow in glorious curves.

PS: Did I remember to mention Sophie's wonderful voluptuous curves?
