A very sexy lady - I would guess about 30 - slim petite and sexy

The Story:

Bonnie used to star at MBs in MK but has left to entertain on her own.

Having seen Bonnie quite often previously I knew what to expect - raunchy sexy fun with a lovely lady who knows what a man wants and is happy to provide.

My favourite killer heels had been half inched by a colleague at her previous employ but she still adorned her gorgeous legs with stockings and impressive heels.

A lovely kisser and a responsive lover if you treat her right. She is not a clock watcher either as we went slightly over the 60.

This lady presses all the buttons and I cannot wait to re-visit.
