Jenny ; slim mature dark blond hair freckled tits , pert nipples , wearing a black corset with red trimmings , red high heels.

Both have shaved pussies

The Story:

Phoned Debbie early afternoon she described herself and then Jenny as "absolutely filthy" also described that there was a special offer of both her and Jenny doing a 2 girl service with full lesbian sex for 45 minutes for 100 (how good did that sound ?) , and i booked for 6ish.

Trekked down to Annerley despite the vile cold weather , arrived near Debbie's about 5:35 , phoned Jenny answered saying it would be fine to arrive early, rang the intercom Debbie greeted me with a ferocious looking but she assured me very soppy dog , greeted with some lovely French kissing and took me down to her lounge she gave me a beer and started to have a nice suck on her very sensitive nipples.

Shortly afterwards when i went to the bathroom unknown to me Jenny was there about to entertain another gentleman in the bedroom . She introduced herself and told me "I'm absolutely filthy " and pulled down her knickers to show me her shaven pussy , she undid my flies and started to play with my rapidly hardening cock. She said she needed to pee and asked if i'd like to watch , i did so and it was a very sexy sight to see her sat on the toilet pee sprinkling out of her fanny, and then to watch her wipe and clean herself , preparing her pussy for the lucky guy in the bedroom before it was my turn.

Returned to the lounge the parlour was very busy , consequently so was Debbie but still a wonderful hostess , she would regularly put her hand into my flies to feel my cock , me of her tits ,and snogging , she told me that if i'd not had a lesbian show before that she and Jenny both get very wet , and come when they go down on each other , and Jenny would use a big black dildo on her, and that if i was worried i might pop too early then to let them know as they didn't want me to

spoil my fun and THEIRS as they "wanted a hard cock in their wet pussys after we've been licking each other".

As often happens at Debbie's the schedule was running late not that anyone was complaining or getting stressed , before the customer before me left (although the lounge had the door closed so we did not see each other) .

Debbie ushered me into the bedroom and i handed over the money and i got undressed trying not to get too overexcited... i also heard Debbie saying to leave the phone off the hook so if you are trying to phone and its engaged don't be put off , as it's distinctly possible its because all are busy with orgasmic fun in the bedroom. ... 2 horny women having lesbian sex while i joined them ...waited a few minutes before they both entered...

They stood each side of me pressing their breasts into my face Debbie saying we were making a sandwich .yum.. Jenny took one of Debbie's nipples into her mouth and started to suck , whilst i sucked the other , Jenny expertly removing Debbie's bra , i rolled Debbie's nipple between my lips , Debbie gave running commentary "oh you are making my nipples tingle", she wasn't wrong they were deliciously pert , further telling us "you're making me so wet and she pulled down her knickers , Jenny ran her hand over Debbie's pussy asking me to do the same , i could feel her sexy dampness. Debbie and myself each took 1 of Jenny's small but firm tits , i rolled Jenny's pert nipple between my lips.

THE PUSSY LICKING WAS GOING TO START ... Debbie lay on the bed on her back her legs wide apart , Jenny put her head between Debbie's full female thighs i was standing above to ensure i got the full fantastic view . Jenny commenced her skillfully darting tongue expertly licking Debbie's shaved pussy her body heaved as she moaned and writhed. Watching this plus the prospect of Debbie's sexy fanny left me unable to watch passively and asked for my turn, Jenny had already started the work Debbie's pussy already moist as i put my head between Debbie's thighs and started to lick her wet pussy ..wonderful.

I licked and licked , but Jenny is not a woman to be left out of such fantastic fun, she lay on her back and asked me "Do you want both our hot cunts"!! , i replied i would love to but wanted to watch Debbie going down on her , ladies 1st of course Debbie rose from the bed kneeling down put her head between Jenny's lithe thighs to become aroused , again i ensured i got a full view of Debbie's tongue on Jenny's clit , who was very aroused . Next i remember it being my turn to lick Jenny's juicy fanny as i did Jenny urged me to stick a finger in her quim which i did only for her to tell me to shove a 2nd up her, which i happily obliged ..boy was she moist as i licked her swollen love bud whilst simultaneously fingering her.

Debbie had climbed on top of Jenny and they started snogging , and i had the sight of 2 pussies in need of attention i used my right hand to finger Jenny my left for Debbie...fingering 2 horny women's wet pussies at once...bliss!

Debbie climbed off Jenny and as she had described to me earlier Jenny was going to use a large dildo , Jenny subsequently fitted the , 1st Debbie began to suck Jenny's plastic cock , licking the head and shaft giving me an idea of what a treat it was going to be when my real cock was in her mouth.

Next Debbie lay on her back and Jenny mounted her i knelt between Debbie's legs so i could get a perfect view. Jenny guided the dildo into Debbie's pussy while i pushed the balls of the dildo so it went deeper inside her , Jenny thrusting up and down fucking Debbie , the sight and sound of the dildo sliding into Debbie's fanny making a delightful squelching noise because she was so juicy ,were sensational.

My turn approaching..."are we going to suck his cock" Jenny asked (was there ever a more fantastic question) she climbed off Debbie and unstrapped the dildo. It was my turn to lie on the bed on my back , i felt 2 pairs of hands quickly and expertly sliding a condom over my dick ...2 women about to suck me! Debbie started not wasting time sliding her mouth up and down right to the base of my cock , before Jenny putting her fingers around my cock transferring HIM from Debbie's mouth to hers sliding her head up and down as she sucked . While Debbie then commenced to lick my balls , next Debbie licked the base while Jenny then started to tongue my bollocks complementing me on "his nice balls" ..the pleasure blurs the exact details and sequence.

Jenny then said she would love Debbie lick her again while she wanted to suck my cock at the same time . Debbie again put her head between Jenny's legs in order that i could get a good view , Jenny suggested i kneel above her and stuff my cock into her mouth while i watch Debbie lick her

...i did so..wow..Jenny commented on the amount of hair on my body saying she "liked hairy men" (when my cock wasn't in her mouth) and what a treat it was for her to suck a cock while having her pussy licked at the same time.

THE FUCK we were all desperate to shag , we briefly discussed which position , deciding i would start with Jenny in doggie i tried to slide my cock in but she was so juicy and slippery i twice slid out before she used her fingers to guide and hold my prick in and we started to fuck . I would have loved to have shagged her for ages but with all the previous excitement i knew i wouldn't be able to hold on long and i was desperate to shag Debbie too. I withdrew and suggested Debbie and me now fuck , Debbie was lying and we were both happy to do it in missionary , but 1st Debbie quite reasonably wanted a new condom on me , i removed the condom i'd worn when he'd been inside Jenny's pussy as Jenny slid another rubber on to me , and Jenny guided my cock into Debbie's fanny , Debbie called out "oh yes " with each stroke , however wonderful though it was i was unable to hold on very long and my legs turned to jelly as i came and shortly after withdrew .

There was no rush at all afterwards , i took a wash in the bathroom and was given another beer . The rapport and chat we 3 had wonderful , the atmosphere glowed with sexy relaxed fun , i would have loved to have joined in the banter more but as Jenny pointed out and giggled "he's speechless" she wasn't wrong . "2 south London slappers " was how Jenny described themselves , Debbie is sexy and Jenny as filthy as the horniest porn star, fantastic 3 way rapport , my 1st (hopefully of many) experience of 3 way sex all hopes and fantasies realised and surpassed . Debbie is such a sweetie she even said if i had to wait long for my train back home to north of the river i was welcome to pop back to her flat to wait in the warm.

In the avalanche of pleasure there are several details i have probably missed it's such a blur and 1 of the reasons there has been a delay in writing this, is that it has taken me 2 weeks to recover.

To recommend of course BUT NOT if you have cardiac problems it would be embarrassing for Debbie and her horny friends to have to call and explain to the ambulance crew if a customer has a heart attack in her sexy cellar.
