The Premises:

I met Angel at a hotel near A45 outskirts of Coventry, where she does her ?incalls?. Safe nice area and the rooms are OK with good bathroom, relaxed atmosphere. Discreet hotel entrance you can get to the lifts to rooms without going past reception. Plenty of safe parking.

The Lady:

Angel is a very slim size 6 with green eyes and currently dark red hair and about 5ft 5 inch tall. She is blessed with a lovely very pert bottom, and has small breasts with pronounced sensitive nipples. Very tight where it matters and fully shaven, smooth tanned skin???..just what I like.

The Story:

Have seen Angel three times now, quite a find for me and each visit gets better. She has the right attitude and gives a good service. Kissing and cuddling, excellent OWO and then covered sex in many positions. If you like Angel's small slim type body get yourself booked in, you will not be disappointed. She is prepared to dress as you require and does an excellent school girl! Angel has good reviews on here, which is what attracted me to her. Well worth a visit???.I will be seeing her again soon, good value.
