The Lady:

Very nice blonde girl with a lovely round arse ,large breasts and very friendly and smily personality.

The Story:

Paid for a full service including sex and oral with a rubber. She laid next to me & had a very nice fondle , then she kissed my body moving down to give some excellent oral including licking around and under my balls which was just sublime. After a while jumped on top and pounded her for a short time while she wriggled underneath, then turned her over and continued in doggy position until completion. really enjoyed this punt for both service and friendliness. Bianca may become a regular on monday's.
