The Premises:

kiss kiss is a very welcoming, friendly venue, just by warwick avenue tube station. the madam, saskia, is charming and friendly - she is made for this job.

The Lady:

shakira is english, barely out of her teens, slim, pretty, lovely arse.

The Story:

rocked up for this meeting shattered as ever after a hard days work. shakira has great 'more-than-a-handful-is-a-waste' breasts and a very shaggable arse. all the usual offered and accepted, with me finishing in splendid style all over her lovely chest. i need a little more from my girls by way of eye contact and sincerity, which i felt was a little bit lacking, but i would certainly go back. she has a dirty little giggle which i can still hear. shakira was heading out for the night, so maybe her mind was on other things. she should have taken me with her - middle aged bald me are the new nightclub accessory de nous jour. in my dreams!
