The Story:

She normally works on Sunday and seems new to the business but is certainly not a novice when it comes to doing the business. She is very clear about what turns her on (most things but not anal) and doesn't see why she shouldn't enjoy her self whilst pleasuring the punters. For those who like skinny fragile types you need to bypass Roxy but if you are into no hold bar sessions with a real sexy woman who likes it rough and will extract every last bit of juice out of you she is definitely worth looking up.
