The Lady:

Susie is an exceptionally beautiful little Polish brunette, and the pics on the website do her no justice at all. She has a most lovely smile, and gorgeous dark eyes.

The Story:

Susie seemed genuinely pleased to see me, and began by kissing me on the mouth. It soon became apparent that she welcomes kisses on all parts of her body, but especially her breasts, and as long as you treat her gently, she will do her utmost to give you a great time. I was too eager to want a massage, so we started with cowgirl, and went on to doggy and covered oral. Here I am, over three times her age, and have just had one of the greatest punts ever. Truly, life isn't at all bad.
