### The Story:

It started so well. However 25 minutes passed and I asked Raquel how much time do I have left, she told me 10 minutes...I got so upset and disappointed, I had paid ?130 for a full hour and for Raquel to try and scam me is just not on. I was really gutted.

I guess for a 30 mins session, she will be OK. Raquel is a take your money, wham, bham, fast service.

When she said I only have 10 mins left, I told her I have at least 30 mins left and Raquel then started to act like she can't understand my english (she is Czech). I had to say can we try for another go. Reluctantly she accepted, but as soon as I c\*m, it was time for me to go.

So I paid for 1 hour and got only 40 - 45 minutes...first time was nice, HOWEVER, the second time was very uncomfortable for me. I do feel like I was scammed and next time I go to IM, I will be mentioning this. IM if u read this, I think Your establishment owe me a discount!
