The Lady:

Gorgeous looking petite lady. Late 20's with a great body and great personality. Lovely hair and eyes with one of the nicest smiles you will ever see.

The Story:

This was my second visit to Bonnie. She is a skilled masseuse and her body to body massage is wonderful. She certainly sorted my stiff neck out with her hands and magic wand! As for the sex, she is highly skilled in all departments. Great oral, reverse oral and the sex itself was fantastic. She has a wonderful tight pussy and is genuinely very responsive. None of those fake moans or groans that do nothing for me.

With all the doom and gloom these days, a visit to Bonnie is all you need to put a spring back in your step. You really must see this lady. I am already looking forward to my next visit.
