### The Premises:

As per previous reports. Apparently they were having a new boiler put in, so no heating or hot water, but I didn't notice it.

### The Lady:

Pretty "Girl next door" type, nicely curvaceous, lovely smile. Not as "platinum blonde" looking as in photos (fine by me).

### The Story:

Turned up on spec and was offered the choice of Donna or Layla. Layla looks good for a future visit (kind of slutty secretary look), but as I had narrowly passed up on Donna previously, and I recalled that she has good FRs, I chose her.

Donna made me feel completely at ease; we started with a short massage and a chit-chat, then I got to suck on her lovely (natural) tits before moving down below, where she is nicely trimmed.

I was soon rock hard so after a bit of OWO she applied a condom and we had sex with her on top and then finished off in "mish".

A nice chat whilst I got dressed and I was on my way with a smile on my face!
