Pictures are accurate. She is quite petite with great tits, wonderfully soft skin and very kissable lips

The Story:

My first punt, and thoroughly enjoyed. Layla welcomed me wearing a white basque and although I was quite nervous, she made me feel very much welcome. Not going into detail, but all services were joyfully offered, she is very responsive and genuinely seems to enjoy it. Also a very funny girl, great to talk to and will make you laugh. I would recommend a longer session as she is great company and also serves a good glass of wine. Definitely to be looked after, this one is a diamond.
