The Lady:

Small slim blonde, very attractive friendly girl in her mid or early 20's.

The Story:

I knew I was in for a good time as soon as she removed her raincoat. She stood there in her heels, stockings and the sexist underwear I've ever seen. Sweet pleasant girl that offers a GFE like no girlfriend I've ever had. She licks sucks and swallows then starts over again. There seems to be nothing this girl won't do. A great time and without doubt one of the best I've ever had, no rush, no clock watching just great sex with a great girl.
