### The Premises:

this was my first visit to kiss kiss massage - i've been since, and it is great. very friendly, jolly place, run by the wonderful saskia, in a nice part of town.

### The Lady:

lovely spanish girl, sensational bottom.

### The Story:

really nice punt - a quiet girl, but i rather like that. very 'fit' in the best sense of the word. outrageously good oral technique. the shagging left me genuinely shattered, and indeed left the bed frame properly broken. which makes me smile as i think about it.
