The Premises:

My place, so not too bad.

The Lady:

Tall, 5' 9" Polish lady with long dark hair. Very fit body with small perky tits, shaven pussy and nice soft skin. Not a drop dead gorgeous looker, more the girl next door type.

The Story:

Georgia arrived dressed in leather trousers, and a blue top. She had black underwear underneath, with black hold ups. Not what I had asked for but quite sexy in a restrained sort of way.

We got the finances out of the way, I gave her a drink that she had requested and we retired to the bedroom.

Georgia has a rather limited menu on offer and this was quite disappointing. She does not allow kissing, there was no DATY, oral was covered (although prolonged and deep), and when we had sex she covered the condom with some lubricating gel that seemed to get everywhere. Because of this I failed to ejaculate as I was a bit put off by her attitude to the intimate side.

If you just want a nice companion then Georgia is the girl for you as she is bright and intelligent and a good conversationalist, but the intimate side lets her down.
