The Premises:

House on top of shops .Entrance from side.Felt safe as no one bothered to look who is going or coming.Nice kept room ,very clean and scented

The Lady:

Lara is about 5.3ft petite lady from Spain.Very friendly and sexy looking with nice firm bum which you can kiss and squeeze .I would say C cup breasts with hour glass figure.

The Story:

Sorted out paperwork and Lara quickly took her top and bra off.I sat on bed while she performed quick hipshaking dance to soft music playing,and then sat on chair with knickers off showing her luscious pinklips teasing me to eat it which I did with full vigour.She started moaning with pleasure.Took all clothes off and my fellow got sucked hard and got into 69.Rimmed her as she was very fresh ,got the same treatment which felt good .Had never been rimmed before and Lara took me edge by putting oily finger my butthole.Came on her face and partly in her mouth.She went bath to get fresh .Second round was bit longer,fucked in all position.What surprised me was that lara took condom off and started rubbing my cock on her clit,at one point it slightly entered without protection.Soon came again.left satisfied
