### The Premises:

clean yes, but not an ideal flat for punting.

### The Lady:

not like the photos, but pretty enough and taller looking

### The Story:

A complete and total f\*\*ck up.

read on if you want to hear of the shit I had to put up with on this attempt at a punt. spotted valentina on the website, thought she looked all right, rang agency at 11.45 to book valentina for 1.30 and made my way from out of town to the edgware road. got there checked the number on the road that I had been given and found that it corresponded to a gated estate of about 200 flats so I thought shit and rang the agency.

It went like this, are you there? yes. where? at the gate. wait till I ring her she'll be down. waited... silence. phone rang where are you? at the gate. ok. I thought what the f\*\*k going on. kept noticing another bloke with a phone to his ear, looks to be at the same as I am mmmm. phone rings, what time did you book valentina for? 1.30 says I, o god o im sorry o there been a mistake o dear. the stupid f\*\*kers had double booked the appointment. so reluctantly I re booked for an hour later at a 30 quid discount, 35 minutes later the phone goes, you can see her now she's free. great I thought, but then I thought mmmm he didn't stay long. so back to the gate, waited so eventually she came out in a what would be between a coat and a nightgown. Then you have to be traiped across a court yard up a lift along an abridged landing and on and on till you reach her flat whilst receiving amusing looks from the maintenance men.

Then it took its final nosedive, no owo, asked her twice no, no.

by now I had lost all interest and let her finish me with a hand job, whilst thinking I will have to write about this.

and it's no wonder the other fellow left after 25 minutes.

so in conclusion here is a nice St Petersburg girl working as a London escort at 150 a throw, and I wouldn't fault her manner or anything like that, but she doesn't do owo, and why should she when she

gets away with it.

you would think that the agency would say,dont start unless you do,and if you dont go work in soho or something like that.

as for the agency double booking at 1.30 in the afternoon.

well.
