### The Premises:

Nothing special and a bit messy... The area is OK and felt safe!

### The Lady:

Tallish blond, must be older then 19 yrs old stated on agency website

### The Story:

In one word - disappointing. There are so many thing she doesn't do including (yes - can you believe!) no french kissing! And she was recommended by the agency as a very popular girl with good reviews and feedback. If this is one of the best girls on their books, what are the worst ones?? She refused to kiss which i've already mentioned above and she would not let me kiss her neck, touch her pussy or 69 with her.

Her general attitude was such that I was unable to perform because I felt stressed and unwanted by her.
