The Premises:

Her flat was clean very close to the tube. Area safe.

The Lady:

She was more or less as her picture on the website - but not as pretty and a bit fatter. She is tall - about 6 feet.

The Story:

She was quite stand-offish. No eye contact until after the deed. She rubbed me hard, we went on to a blow job (reasonable), she let me kiss her lovely sensitive nipples, and rub her pussy which got moist, but her clit did not react. The on to cowgirl. She went through the actions - no phoney moans, but would not look at me. I came, after 30 minutes. We talked (she smiled, even laughed and there was eye contact then), and it was nice, but she was not interested in a part 2. She seems a nice girl. But her heart wasn't in it today, and she was definitely not value for money.
