### The Premises:

near lancaster gate easy to find. Flat Not that great really was okay but been in much better with girls that work on lower tariffs.

### The Lady:

They have not used a pirate version of photoshop that is for sure. It is the girl but her face is significantly different from the photos basiclly not as pretty by a country mile!!.. body was good.

### The Story:

Chatty no doubt and friendly service by a brazilian that has lived in spain, english was average but all in all lacked a lot. At 250 pounds and all the other options in the capital. Not worth a visit
