The Premises:

Flat just off the main street in Baldock. The entrance is a bit exposed as you wait to be let in. Upstairs flat, clean and warm. Only saw Lucy, but there is obviously a maid also in the flat.

The Lady:

Lucy is very petite, about 5'2", size 6-8 with A cup tits. People have told her that she has an oriental type body. Shoulder length reddish/ginger hair. Quite pretty and very warm and friendly.

The Story:

Lucy could only do a 30 minute appointment at a cost of ?60 and opted for ?10 extra for oral (anal is an extra ?20). After some initial kissing and cuddling Lucy went down and proceeded to gie me an absolutely fabulous bbj. After I had come in her mout she cleaned me up and then proceeded to go back to work to get me hard again. It was a terrific bj. Once hard again we went for some good hard doggy - I honestly don't think I have ever fucked anyone quite so tiny! After the doggy we had some more kissing and cuddling and she finished me off by hand. At that point there was a gentle knock at the door to indicate time was up.

I had a thoroughly great time with Lucy, and look forward to going back for an hour long session.
