The Lady:

Exactly as stunning as the photos - no photoshop here, she is naturally absolutely gorgeous. A bit older than described but this actually pays off with Emily as her maturity doesn't affect her looks but improves her service no end.

The Story:

She's passionate and a really enthusiastic girl. I got on great with her. Two times, no A but I'm not into that anyway. I was exhausted after the hour but she seemed to have endless energy. Highly recommended.

This agency used to do a bit of bait and switch. I think they've sorted that out now. Exercise caution with them, perhaps more than others, though I have had some real success here.
