The Premises:

Nice large bedroom, tidy, all it needed to be.

The Lady:

Jawdroppingly stunning. A privilege to share space with. Only downer was hair extensions - I'm not a big fan.

The Story:

It doesn't get any better than Cyntia. Trust me, see her. All of you. Energetic, horny, kinky, flexible, enthusiastic, a bit of a screamer.

She is both a handful and a completely sinful amount of fun to be with. Does everything, no A.

Shopping at or near the top of the market was (this time) rewarding beyond proportion to the additional cost.

She is normally ??300 but the agency sorted me out for ??250 as they had previously wasted my time with another girl Milly (you've now been warned).
